

OFFICE OF RESEARCH AND REPORTS

25X1A9a

List of Documents Furnished [REDACTED], 216 South Building, for Use of Members of the Clark Committee, 26 November 1954.

1. 7 statements: Functions and biographies of chiefs of the 3 staffs and 4 divisions of the Economic Research Area.
2. One-page statement: Functions of the Geographic Area and of its 4 divisions, with names of individuals and attached biographies of the 4 division chiefs and the Special Assistant to the Chief of the area.
3. 2 copies of Guide to the Industrial Division, ORR, with copy of memo to Deputy Director/Intelligence of 12 November 1954 from Assistant Director for Research and Reports concerning this document.
4. Services Division Policy Manual, Copy 19, green loose-leaf notebook.
5. Office of Research and Reports, Expressions of Consumer Reactions, green loose-leaf notebook.

Item 5 is the only copy of this document. It is a valuable part of the records of the Office of Research and Reports. We would therefore appreciate its being returned to us as soon as it has served its purpose with the Representatives of the Clark Committee.

cc: Inspector General
